Quick Facts

About the Peace Operations Training Institute (POTI)

- Independent, nonprofit, nongovernmental organization providing globally accessible self-paced, online, on-demand courses since 2008.
- Offers comprehensive e-learning curriculum on peace support, humanitarian relief, and security operations.
- Governed by an international Board of Directors and overseen by the Partnership for E-Learning on Peace Operations.

Board of Directors

- Comprised of former Force Commanders, a former Deputy Force Commander, a former Chief of the Integrated Training Service, a former Special Representative of the Secretary-General and Deputy Special Representative of the Secretary-General, an Ambassador, and experienced peace operations personnel.

Partnership for E-Learning on Peace Operations

- Forum wherein UN Member States provide input and ideas on how e-learning on peacekeeping should be provided.
- PELP provides aegis, oversight, and recommendations to POTI.
- Demonstrates how partnership can enhance e-learning offerings.

Collaboration

POTI collaborates with peace operations experts and various agencies and organizations to offer students a comprehensive curriculum.

Translations

- POTI offers courses in five languages:
 - 31 in English,
 - 23 in French,
 - 17 in Spanish,
 - two in Portuguese,
 - and one in Arabic.

Partnerships allow us to increase our translation offerings.

Mobile Apps

- POTI offers mobile apps to supplement the user experience.
- Students can use the app to:
 - Access courses, transcripts, and their student profile
 - Download course textbooks
 - Take examinations and access Certificates of Completion

Course Supplements: Audiobooks and E-Publications

- Audiobook format allows students to download an audio version of the course and listen to it on their mobile phones, tablets, and computers.
- ✎ E-publications adjust to the orientation and size of a screen, making the course adaptable and easy to read on handheld devices. |

Course Supplements: Interactive Modules

- POTI is researching additional course formats, including interactive modules based on existing courses.
- Interactive modules will provide further dynamic, engaging experiences for adult learners.

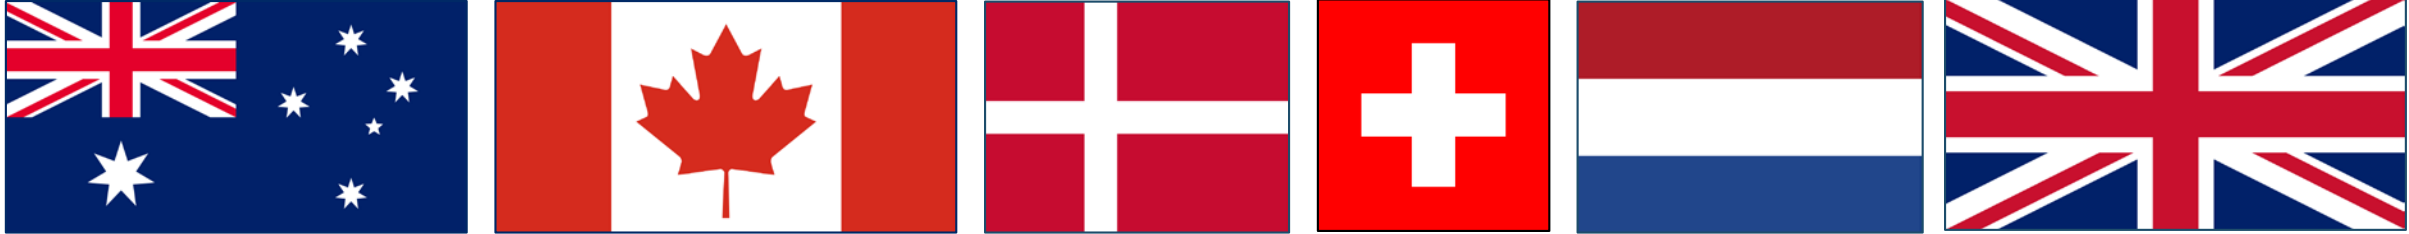

As we create these modules, we remain focused on determining the best method to ensure these experiences remain available to as many learners as possible.

Moving Forward with E-Learning

- POTI is working to stay up-to-date with technological advances while ensuring no student gets left behind.
- As technology advances, partnerships within the peace operations community will aid us in offering increasingly effective e-learning to a growing audience.

Funders

In recent years, POTI E-learning has been made possible by generous funding from the founding members of the Partnership for E-Learning on Peace Operations (PELP):
Australia, Canada, Denmark, the Kingdom of the Netherlands, Switzerland and the United Kingdom.

Thank You

Thank you for your time. We look forward to meeting with you to discuss our courses, partnership opportunities, or any peace operations topics.
