Questions and Discussion

SPLA ASSEMBLY AREAS

UNMIS Force Commander Lt. Gen. Jasbir Lidder Singh and Regional Representative for Southern Sudan Peter Schumann visited two Sudan People's Liberation Army (SPLA) assembly areas to discuss troop movements and the possible provision of emergency support during the move. The two assembly areas, on the borders of Upper Nile/Blue Nile states and Unity/S. Kordofan states, will receive SPLA soldiers moving south from Blue Nile state and the Nuba Mountains as stipulated in the Comprehensive Peace Agreement (CPA). Under the terms of the CPA, the SPLA must redeploy south from the two areas within six months of the deployment of Joint Integrated Units (JIUs-combined units of SPLA and Sudan Armed Forces) in Blue Nile state and the Nuba Mountains.
