## The United Nations Institute for Training and Research

UNITAR is a training arm of the United Nations System, whose mandate is to develop individual, institutional and organizational capacities through outcome-based training and learning initiatives.

## Division for Peace Pre-deployment **Training** and **Advisory Team**

The **Pre-deployment Training and Advisory Team** contributes to create lasting peace and security in the world by:

- Strengthening the impact of **TCCs, PCCs, COCCs** as they deploy in peace operations
- Improving the performance of **national security forces** in alignment with international principles and standards
- Enhancing the impact of **international and regional organizations**, as well as other relevant organizations supporting stabilization efforts

# Our added value

## PRE-DEPLOYMENT TRAINING AND ADVISORY TEAM

### 01 Performance

PDTA has a long-standing experience in the field of peacekeeping and avails itself of **highly qualified personnel**, which ensure that training has an impact on performance.

### 02 Behavioural change

Training goes beyond transferring knowledge and skills, and seeks to **impact behaviour and attitudes**, hence ensuring long-term effects.

### 03 Flexibility and adaptability

Training is tailored to the specific needs of the target audience and the reality on the ground. PDTA avails itself of an **extensive network of partners** which allows for flexible responses.

# Partnerships Advantages
